

# Adventure Academy for Boys

## June 27-July 1, 2011

Twin Lakes Camp, 300 Bayou Clear Rd., Woodworth, LA.

The Louisiana District Royal Rangers invites all boys ages 8 - 17 to this year's Adventure Academy. This one-of-a-kind camp for boys brings excitement, exploration, friendship, and accomplishment together with spiritual growth to give your young man a week he will never forget. Preparing Leaders of these boys can also take place during this camp.

This will be the 39<sup>th</sup> year of Academy offering an unparalleled value for your camp dollar. With certified swimming instruction, quality on-site meals, trained instructors in a wide variety of interest areas, and a safe, boy-friendly campground facility, you won't be able to find another camp anywhere at this price offering such a wide variety of experiences and skills. Look at the camp poster for details of each camp.

Each age-group of boys will form a unique camp with activities no other age-group will experience. Each year of Academy offers a special adventure for boys at their distinctive developmental stage of growth. On top of that, the proven spiritual impact on several generations of young men at Academy makes this camp priceless. Many on-fire men of today owe their decision for Christ to an altar call given at an Academy. The leadership skills that the Academy develops give a life time of advantages to boys.

The cost for a week of Adventure Academy is \$145.00. A \$75 deposit with your application will reserve a space in camp. A camp shirt and hat (\$25 value) are included in the total cost. Add an additional \$7.00 to cover the cost of any credit card service fees if you choose to use your credit card. The balance must be paid by the start of camp June 27th. Registration forms can be downloaded from [www.larr.org](http://www.larr.org), or picked up at a local outpost meeting. You may contact the state office at the e-mail address below for more information.

A limited number of Camp Scholarships are available for either full or partial payment. Contact the district Royal Rangers office in Alexandria to apply for a scholarship if one is not available through your local church.

We highly encourage you to consider giving your young man the life-changing experience of Adventure Academy.

Thank you for allowing us to serve your family.

David L. Craun
