LOCATION OF Twin Lakes Camp

The Campground is located in Woodworth, La. Take the Woodworth exit #73 off of I-49. Proceed west past the Hwy 165 traffic light. Turn left onto Bayou Clear Rd. after passing the Baptist church. Continue about 2 miles. Campground will be on the right.

OUTPOST EVENTS

First, second, and third place awards will be presented to winners of these activities. All placement and participation points, will accumulate toward the Outpost of the Year trophies.

Outpost Craft: You may use water colors, crayons, chalk, coloring pins or any other hand held brush, pin, pencil, etc. All entries will be divided by grade level of participant. Entries will be judged based on complexity, design, composition, appropriateness of color choices. Participants must do all the coloring, shaping, molding and composition.

Parents or Leaders may assist with provision of materials and oversight of the projects. Let the Ranger Kids have fun doing these projects. Photos of the process should be provided to help the judges determine how it was done.

Kindergarteners: drawing:

Using table or rock salt, glue, or other art media, create any drawing or art project on construction paper.

First Graders: collage:

Create a collage using cut-outs, past-ups, paper Mache or other items to represent any type of salt shaker or salt block and areas the salt block would be used. Use real table or rock salt in your creations. The salt can be dyed with food coloring if you desire.

Second Graders: clay model:

Participants will make a clay model of a barn yard/field on a two foot square board where a salt block would be used. They may use miniatures figurines to accent their work. Make use of salt as one of the items in the model. They may use other natural items to enhance the scene. Projects need to include written information about how salt is vital to our lives.

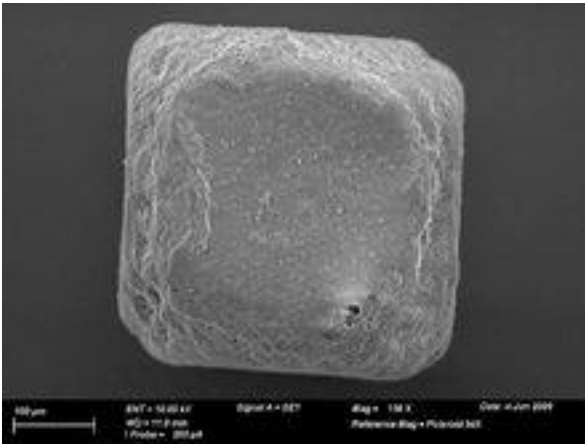

***Ranger Kids Adventure Day Camps
are excellent opportunities to introduce new families
to Rangers and your church family.***

Bolivian piles of salt

Salt Crystals

One grain of salt

Pepper compared to Salt

Salt being loaded onto a Barge

Various styles of salt shakers

DAY CAMP EVENTS

Outpost Adventure Activities: Each outpost will participate together. Events will be scored based upon the average points of all participants in your group. First - Third Place will be given greater points accordingly. All participants will earn base points for their outpost. Participation points will accumulate for Outpost Adventure awards.

Spoon of Salt Hand-off: Participants will scoop up salt with a spoon and hand it to others in a line until the last person dumps it into a container. The group that fills the container to a designated mark the fastest average time factored by the number in the line will win.

Back Country Bike Race: Participants must bring their own bike, and helmet. A course will be laid out on the campground. Heats will be set based on grade of Rangers.

Obstacle Course: Participants will go through a timed obstacle course set up for Ranger Kids. Visitors are welcome to participate for fun.

Push Car Race: A maximum of 5 participants and a minimum of 2 are required. Participants will push a soap box derby car around a designated course. Fastest time wins.

Nature Scavenger Hunt: Each participant will be given a designated amount of time to collect and bring back specific items found on the campground. Total number of items divided by number of participants will determine the winner.

Scooter Relay Race: Participants must bring their own push scooter and at least two helmets- one for the rider and one for the boy waiting to go next. A course will be set up at the camp. Score will be divided by number of participants to determine average time for the outpost.

Salt Baton Relay Race: A set course will be set up with 5 stations. A runner with a salt baton will run to the next station, pass the baton to the next runner until the last runner crosses the finish line. Fastest time wins.

Grade Level activities: Kids will compete based on their grade level. First graders will be scored and compete only against other first graders, etc. Individual awards will be presented.

Salt Cylinder Shot Put: A cylinder filled with salt will be thrown for distance. The Individual in each grade throwing the farthest will win.

BB Gun shoot: Participants will be allowed 5 shots each at one target. Guns and BBs will be provided. Best overall score wins.

Frisbee Golf: Participants will throw a Frisbee thru hoops set in a course along the ground. Shortest number of throws in the shortest amount of time wins.

Soccer Kick Ball: Participants will kick a soccer ball along a set course for speed and accuracy. Shortest time completing the course will win.

Indian Foot Race: Participants will run a set course designed for their grade level. Fastest time wins.

Salt Pouring Contest: Teams of two individuals will work together. One will pour salt into a small container. The second will carry the container a short distance to a larger container and empty the salt. They will continue until the larger container is full and salt runs over the top. Fastest time wins.
