Louisiana will host the "Ranger Basics" and "Ranger Essentials" Training Courses. These are national training events that are required for all Royal Rangers leaders to complete to qualify for the new Leaders Medal of Excellence. These training events will be part of our annual RR Leaders Equipping Conference along with other sessions on "Web training for Ranger Leaders", "Building a New Pow Wow Program symposium", "Celebrating 40 years of the LA Royal Rangers Academy". Look for updates on www.larr.org. National RR awards are available from the national or district RR offices.

A separate training event in May will provide the WCO (World Class Outpost) Seminar sponsored by the national RR office. **World Class Outpost Seminar** is designed to expose the outpost leadership team to a successful set of practices, methods, strategies, and tools that will enable them to develop into a World Class Outpost. The greatest benefit of this event is achieved when the outpost/church leadership attends and completes this event together as a team. The registration for the WCO is on the national RR web site. A Ranger Kids Training Conference will be conducted in late August/September.

Contact Commander Craun at laroyalrangers@gmail.com if you have any questions.

Leaders Awards will be presented during lunch. New forms are available at www.larr.org. Send completed forms to Louisiana District office or email to laroyalrangers@gmail.com
